May 2008

Dear Family and Friends,

We'd like to start out by giving a bit of an apology. We try our best to keep you updated and informed through the prayer letters that we send out. Somehow, the last two letters we wrote did not make it out, and we didn't get that figured out until just recently. So, let's get you all caught up with what's going on with us.

First and foremost, we are taking a team from our church down to Tijuana. We are very excited! The trip will be from August 3rd through the 10th. The team consists of about fifteen adults and six high school youth. A few of our very close friends are on the team, and we are looking forward to being able to share this experience with them and give them a little taste of what we'll be doing once we get there. Ron's brother, Joe, and his girlfriend, Abi, have also joined the team. Joe is currently attending Maranatha Baptist Bible College in Watertown, WI, and is planning to head to Tijuana to do mission work in the near future. Of course, this is going to be a construction mission trip. We will be building a home for a Mexican family in the Tijuana area. Originally we had hoped to begin building our own house on YUGO's Tijuana property. However, due to the time and preparation involved, it looks as if we will not have the financial support needed. If we were to begin constructing our house, that would mean that when we go down in August, we'd stay there to begin our ministry. This does not look like it will fit in to God's timing, so we are moving on to plan B. We know that God's timing is perfect and that He has a plan for us.

We would also like to announce that we have our website (www.struska.net) up and running. The most thrilling part is our ministry section – www.yugo.struska.net. It is here that people can check out what is happening in our ministry. When you visit this part of our website, you can also get current updates and prayer requests, see pictures, make a donation to our ministry and more. We encourage you to visit our site and explore a bit.

Now for a quick update about what is happening with us in our everyday lives. Ron is continuing to advance within Fazoli's. He recently interviewed for an Area Supervisor position within the company and is continuing to develop toward that position. He has been overseeing a second restaurant for over a year, and frequently teaches manager training classes. Ron also had the opportunity to

travel twice to Oklahoma to help with a recent restaurant acquisition, as well as to help in other areas of training. Working with other restaurants or areas when they are in trouble or in need of assistance is something he really enjoys. Kristy continues to manage our church's website and work with the high school youth group. The children are continuing to do well with school. Brittany will tell you that her favorite subject is Art, although she has always done especially well in Math. William began reading several months ago, and that is always one of our favorite milestones. We definitely feel blessed to be able to school our children at home.

This month we are traveling to Florida for Ron's brother, Paul's, wedding. He and his fiancé, Chrissy, are getting married in Daytona Beach. We will be spending about two weeks in Florida. Most of Ron's family (his parents and the majority of his 10 siblings) will be spending a week there. We are looking forward to spending time with family. Thank you for taking the time to read about what's happening with us. We will work on keeping you more informed with our ministry. Please remember to check out our website!

In Christ,
Ron & Kristy

Prayer Requests:

- *That the Lord will lead us to the people He has prepared to partner with us in our ministry.*
- *For preparations and planning of our upcoming mission trip to Tijuana (August 3-10, 2008).*
- *For the fundraising process of the team members, as they need to raise about \$1100 each.*
- *For upcoming opportunities to share our ministry.*
