YUGO
MINISTRIES

Matthew 11:29-30

July 2007

Dear Family and Friends,

Two months ago we shared with you some big news, that we were moving. Well – we're not. Our plans were to move to Oshkosh, WI, but after that decision was made, God quickly reversed it.

Basically, due to the changing of moving benefits for Ron's job and a couple other details, the move needed to be put on hold or cancelled. As it turns out, it has been cancelled. That is how we got to where we are now. So what does this mean? We feel this means God is orchestrating our move to Tijuana more rapidly. Needless to say, we are quite ecstatic about this.

Currently we have a commitment of 45% of our financial need in Mexico. We see that the Lord is working, as our pledged support has gone up over 10% in the past month. We are still seeking approximately thirty financial partners to contribute monthly support to our ministry in Mexico. Some may be able to partner at \$100 a month. Others at \$75 or \$50. Even \$20 a month would be a significant contribution. Please pray about how you may become financially involved. We are including a commitment card with this letter and we encourage you to seek the Lord's guidance in this decision. You may begin supporting us now or commit to supporting us when we get to Mexico.

We have made some significant improvements in readying our house for sale. This includes residing our garage, putting up a new fence and miscellaneous smaller projects. Brittany will be finishing up shortly with school for the year. Will has learned to ride his bike without training wheels and is eager to start Kindergarten in the fall.

There are many construction projects currently happening in Tijuana that could use our help. They have purchased a new steel building that is waiting to be erected for a kitchen and dining hall on the Outreach Center property. A new dorm building is going up at Grace Children's Home. There have been numerous missed opportunities to help meet the physical needs of the local church, including the construction of homes and church expansion. The reason these opportunities were missed is due to the fact that YUGO does not currently have enough staff in Tijuana to fulfill these needs.

We are still looking at leaving for Tijuana by the end of the year. We must be at 100% of our financial goal for three consecutive months before we are able to go. We'd like to thank everyone for their financial commitments and one-time gifts, and of course for your thoughts and prayers. Please pray how you may be involved in the future.

In Christ,
Ron & Kristy

Prayer Requests:

- ➔ *That the Lord will lead us to the people He has prepared to partner with us in our ministry.*
- ➔ *For the speedy sale of our house when listed.*
- ➔ *Praise for additional people that have financially partnered with us.*
