September 2007

Dear Family and Friends,

We'd like to thank all of you for your prayers, your generous giving and your encouraging words. They mean so much to us. We are so blessed to have so much support from our family and friends!

Another school year is about to begin, and Kristy now has two children being schooled at home. William is officially a Kindergartener, and is very anxious to begin school. (This is probably partly due to the fact that he will not have to take naps anymore!) Brittany is not quite as excited, as she has thoroughly enjoyed her summer vacation. She had the opportunity to go to camp for the first time. She was a camper at Brook Cherith Camp in Michigan. (For those of you that are familiar with the camp Kristy grew up attending in Hillsboro, Wisconsin, this is a related camp.) Needless to say, Brittany had a blast at camp and did not want to leave. She took air riflery, newspaper and fishing as her activities each day. She got her Pro Marksman in air riflery, as well as a few targets toward her Marksman. Kristy had the opportunity to be a cabin counselor for six junior high girls at the camp, as well as teach air riflery and assist with horsemanship classes for the week.

Lucky for us, our camp experience did not end there. Kristy was asked to come back a week later to help during Advanced Horsemanship week. So, the whole family went to Michigan for a week of construction work and horses. It turned out to be boys'/construction camp at the same time. That means that the girls had horsemanship three hours a day and the boys had regular camp, plus there was a construction crew. There were several construction projects going on, so Ron had his hands full. A few of the major projects he worked on were replacing a bathroom floor, replacing part of a porch on a cabin and building/sinking benches around campfires and various places throughout the camp. Kristy also had the opportunity to help sink benches and fix the fence at the barn. Brittany and Will mostly followed their dad around, assisting in various ways, and managed to get some swimming and fishing in as well.

Just before the camp experience, we had the opportunity to take a family vacation. And what did we do? We went camping, of course! We spent ten days camping in Mississippi, swimming in the Gulf of Mexico, and also camping in the mountains in Tennessee. All and all a very awesome trip! Brittany and Will also had their annual trip to

Kousin Kamp. Never heard of it? Well, that's where they get to spend a whole week with just Grandpa, Grandma and a bunch of cousins. This year, Ron's parents took them to Topeka, Kansas, where they had many adventures along with four of their cousins. They talked about it for weeks!!

Well, enough about our summer. Coming up this month is a mission conference at our church. We are looking forward to being able to share more in depth about our ministry to Mexico with our church family. We are also planning to have a couple of small group meetings, where we will share our ministry with others in a more relaxed, informal setting. We would appreciate your prayers as we finish preparing for these events.

In Christ,
Ron & Kristy

Prayer Requests:

- *That the Lord will lead us to the people He has prepared to partner with us in our ministry.*
- *Fort the upcoming mission conference at our home church, Faith Community Church in Fort Atkinson, WI.*
