October 2005

Dear Family and Friends,

It's hard to believe that October is already here! We would like to share with you what the Lord has recently laid on our hearts. The Missions Committee at our church encouraged us several months ago to set a date, a goal as to when we wanted to be on the field in Mexico. At first, this seemed like a hard thing to do. How were we supposed to know when God planned for us to have our support raised? We didn't feel like we were prepared or had the ability to make such a decision. Well, after much thinking, and a lot of prayer, we strongly feel that He desires us to be there soon. To be specific, He has made it clear that July 2006 is when we are supposed to go.

To be honest, this seems like such strange timing for us to leave everything here to go to another country. We feel like Ron's job with Fazoli's is going very well. The reason he left his previous job to manage for Fazoli's restaurants was the opportunity for advancement within the company. It is a very real possibility that this could happen for him in the near future, and yet there is a strong sense of unsettledness within him. We feel that this is the leading of the Holy Spirit, continuing to direct us into our future ministry.

There is one question that has been asked and we would like to answer it for anyone else that may be wondering the same thing. The question is concerning someone that would like to partner with us and support us financially, but not until after we are gone. This is absolutely an incredible thing to do! You wouldn't send in your monthly financial support until we are already in Mexico. We would just ask one thing of you, if this is something you are feeling led to do. We ask that you would let us know. This will help us get prepared and know where we stand as far as the financial planning is concerned. You could fill out a support card and simply add that you intend to begin giving when we leave for Tijuana. You could also simply write a little note indicating the same, and send either one to YUGO Ministries at 441 W. Allen, Suite 120, Box 25, San Dimas, CA 91773.

As far as our house is concerned, we are getting ready to tear apart (and put back together, of course)

the kitchen. This will be the biggest project so far concerning the remodeling of our home. We are planning to have it ready to be put on the market by the end of the year. As we mentioned in a previous letter, our plan is to sell the house before we are ready to go. This will enable us to go to Mexico without any debt (car loans), therefore lowering the amount of monthly financial support we will need.

We would like to thank all of you again for your prayers. We really value them! Also, we'd like to thank those of you that have partnered with us financially. We are looking forward to joining the work being done in Tijuana!

In Christ,

Ron & Kristy

Prayer Requests:

- ◆ For patience as we continue raising financial and prayer support.
- ◆ For us to be able to retain what we learn in our Spanish classes.
